MERRY CHRISTMAS from the BC Association

We are so blessed to serve the creator of the universe who humbled himself to dwell among us, so that we could experience the glorious gift of eternal life with Him.

Joy to the world!

PURSUING **HEALTHY LEADERSHIP**

As we prepare to enter a new year, here are some key qualities of a cohesive leadership team, from Lencioni's classic leadership book, *The Five Dysfunctions of a Team*.

1. Team members trust one another and can be genuinely vulnerable with each other.
2. Team members regularly engage in productive conflict around important issues.
3. Team members leave meetings with clear agreement on next steps with a plan of action.
4. Team members hold one another accountable to the commitments and behaviors they agreed to.
5. Team members are focused on the results of the organization not just their own agenda or individual pet ministry project.

CONGRATULATIONS to our **ORDINATION CANDIDATES**

We are pleased to announce that Brad Reid, Jeff Gates, Andrew Milton, and Isaac Whiting have all successfully completed the ordination process with the BCA. May God continue to bless them in their ministry as they serve Him faithfully!
