## BC Association Pastor's Conference

February 26 - 28, 2012

Cedar Springs Retreat Centre

(4700 Minaker Road, Sumas, WA)

After a stimulating discussion about Sabbaticals at the last Pastor's Conference we concluded that pastoral health involves much more than taking a periodic sabbatical. Dr. Curtis Congo, past intentional interim pastor at Bethany Baptist Church and adjunct professor at Acts Seminary recently designed a survey having to do with evaluating the health of our BC Association Pastors and Ministry Leaders. We look forward to having Dr. Congo join us to speak and lead us through practical ways to improve our pastoral health according to the survey information you provide. We will also discuss several other interesting topics including a review of a book written this year by one of our pastors, Missional Momentum in BC with Cam Roxburgh, the BC Association goes virtual and of course the best fellowship this side of heaven with your fellow pastors.

If you are unable to attend because of finances please contact the Regional Minister. We hope to see you at Pastor's Conference 2012!

Bob Krahn, Regional Minister
